Ingredients: Instant L-Leucine, L-Glutamine, Instant L-Isoleucine, Instant L-Valine, Acidity Regulator (Citric Acid Anhydrous), Flavor (Tropical Fruit), Beta-Alanine, L-Taurine, L-Arginine, L-Citriulline, Sweeteners (Acsulfame K, Sucralose), L-Phenylalamine, Coffeine® (natural Caffeine Anhydrous from I, Sucraiose), L-Phenylaianine, Corteine" (natural Vaireine Annyrorus fros coffee beans) [Coffeine's is a licensed trademark of Cambridge Commod-ities Limited.], L-Histidine HCL, L-Lysine HCL, L-Methionine, L-Threonine, L-Tryptophan, L-Tyrosine, Ascorbic Acid, Anti-Caking Agent (Tricalcium Phosphate), Colors (Curcumin, Beetroot Red), Camellia sinensis (Legil) 4-t1 extract, SlenderBean® Coffea robusta (Seed) 12:1 extract [SlenderBean® is a licensed trademark of Cambridge Commodities Limited.], Pyridoxine HCL

ESSENTIAL AMINO ACID MATRIX FORTIFIED WITH ENERGIZERS

4.6 g EAAs/SERVING

TROPICAL TANGO FLAVOR

M99 is a Tropical Tango flavored amino acid food supplement drink powder with sweeteners. M99 combines a rigorously selected Amino Acid compound consisting of all 9 essential Amino Acids, plus 6 further carefully selected Amino Acids, to provide the body with appropriate Amino Acid support. We also added Vitamin B6 and Vitamin C for an energy boost to increase the time the body is able to perform at its peak. This is thanks to both their contribution to the reduction of tiredness and fatigue and also to normal energy yielding metabolism*. In addition, this product tastes delicious, making it an excellent way to jump start the day or training.

* These health claims are approved by the European Food Safety Authority
(EFSA) and the European Commission (EC).

Consumption and Storage Recommendations: For energy support: Take one serving (11 g - scoop filled up to the 15 ml scale line) and mix it with 400 ml water, 15-30 minutes before training or whenever you need an extra push. For amino support: Take one serving after training or on an off-day. Do not exceed more than two servings per day. Individuals who are sensitive to stimulants should first assess their tolerance by taking less than a full serving. Take 5 days break after 6 weeks of use. Do not take within 4 hours of aging to sleep.

Best before end (month/year) see on packaging. Do not expose this product to direct sunlight or heat for an extended period. Keep this product closed at a temperature of between 6 and 26 °C. Relative humidity should he below 65%

Warnings: Keep out of reach of children. The product is not recommended for children, pregnant and nursing women. This product is not a food substitute or replacement. Use this product to supplement a balanced diet. Use no more than the recommended dosage. This product contains a significant amount of caffeine per serving (116 mg). For this reason do not combine it with other stimulants! If you are under medication for heart. mental or any other health conditions, consult your doctor before use. Beta-alanine may cause a harmless tingling feeling on the skin.

Allergen info: Manufactured in a facility that processes milk, egg, gluten, sov. peanuts, nuts, fish and crustacean ingredients.
